Sir:

In the Filing Receipt for the above-captioned patent application, Applicant wishes to draw the attention of the United States Patent and Trademark Office to two documents recently received (the Filing Receipt and Notice to File Missing Part of Nonprovisional Application) and the Utility Patent Application Transmittal (copy attached).

On page 4 of the Utility Patent Application Transmittal sheet, Applicant authorized the Commissioner to charge \$1358.00 to deposit account, which covers the application filing fee, the total number of claims and the two additional independent claims over 3.

On the filing receipt, it shows that the U.S. PTO charged \$1274.00 to Applicant's deposit account, instead of \$1358.00.

On the Notice to File Missing Parts of Nonprovisional Application, in addition to charging Applicant for fee covering other items, i.e. oath or declaration, the U.S. PTO is requesting payment in the amount of \$84.00 to cover the additional claim fee.

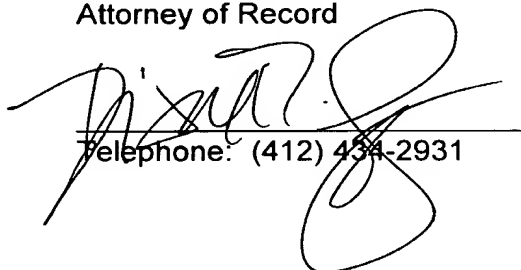

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231	
on <u>January 8, 2002</u> Date	<u></u> Signature
<u>Kim Law</u> Typed or Printed Name of Person Signing Certificate

Please issue a corrected filing receipt.
